#### 4. TUCO Framework Update (Kim)

The UKUPC Impact Document is available to view and the latest TUCO Intelligence Report will be available shortly. The TUCO VFM reports will be released in November. In line with the previous supplier presentations at regional meetings, market reports for Fresh Fruit & Vegetables are updated weekly and available to view online. Kim emailed all

NE regional members with their April-June quarterly reports. KA asked for members to feed back if there was any data/suppliers missing from the reports. Members have noted that there are some suppliers missing data.

Regarding current tender activity, Hot Beverage is at SQ stage. There will be an extension to the current agreement and the new agreement is due to go live on 1<sup>st</sup> March 2024 (members having contracts that expire between 6th Jan and then are advised to extend) Convenience Retail is at the Research and Strategy stage. Kim would like volunteers for the Tender Working Party for this. Disposables and Kitchen Chemicals tender will be released to the market in late November. The current agreement will be extended to cover interim period. Food Waste will be extended until October 2025. The Greenhouse Gas Calculator System (a new DPS Agreement) is due to go live at the beginning of November.

In relation to general framework updates, new pricing on Alcohol came into effect on 1<sup>st</sup> August to include duty changes. The new Catering Light and Heavy framework went live on 10<sup>th</sup> July '23.. Kitchen Equipment Maintenance went live in June. On the Milk, Dairy and Morning Goods agreement, Fresh Pastures went into administration on 24<sup>th</sup> July.

Annual contract review meetings have been held recently and the Minutes are online. Annual review meetings for Vending, Sandwiches and Soft Drinks and Food Waste are coming up and Kim asked members for feedback as a pre-review questionnaire is issued ahead of each category review.

Vegetarian Express – we have a new Account Manager, Bushra Al-Salehi who will be presenting to us later in the meeting, 07586 692037 [Bushra.Al-Salehi@vegexp.co.uk](mailto:Bushra.Al-Salehi@vegexp.co.uk). Presentation attached.

Twinnings and Pukka have some excellent new teas and tea recipes with food pairing advice. Available via most of the distributors Pukka – James.Trevena@lipton.com & Twinings [Aisha.khonat@twinnings.com](mailto:Aisha.khonat@twinnings.com)

McCains have some funds available to members wishing to run promotions around the new cheese products that were sampled at conference. Please contact [Juliet.Robinson@mccain.co.uk](mailto:Juliet.Robinson@mccain.co.uk)

Unilever are keen to provide support to members on their products including Ben & Jerry's scoop shop. Please contact [Lauren.Crook@unilever.com](mailto:Lauren.Crook@unilever.com)

CCEP products can be purchased via the GFC & Convenience Retail distributors, members should see the slides for details or contact Adam Bostock [abostock@ccep.com](mailto:abostock@ccep.com)

Regarding the CCEP rebate, your local CCEP representative can make the necessary calculations for you.

The NPD section of the website is up and running for members to sample new products and give their feedback.

Kim will be writing an article for the TUCO magazine on the sustainability of the cocoa supply chain and asked for members to email her directly with any questions they may have regarding this.

## 5. TUCO Academy

We have set up an Academy Steering Group with good representation from Scotland and the South and held our first post-COVID meeting last week. Before COVID we were running around 11-20 courses per year and we have now already run over 60 courses over the last financial year. Anybody within the university is welcome to join the courses not just catering/retail/hospitality staff. Darren asked about possible training for students to use as members or if it is just for staff and faculty.

Study Tours are back to pre-COVID levels and we have a good strategic partnership with STW and have spoken to a number of universities abroad including Korea, where we are hoping to have a study tour to the Conference in May and perhaps Japan in 2025. There will be a Colombia Coffee Study Tour in May 2024. There will also be a tour to Italy to look at beer/wine/olive oil in 2024 in partnership with LWC. Our strategic partnership with CIA will help to create online chef skills resources. NetPositive is looking at a resource to monitor the principles of MoC. Sarah is also looking into training around medical nutrition alongside Culinary Medicine who work with medical practitioners to increase their knowledge of healthy nutrition.

Winter Conference will be taking place at the University of Kent on Wednesday 6<sup>th</sup> December and will be focusing on the Cost of Living Crisis. James Payne will be speaking on his Future Price Projections.

## 6. Sustainability and Menus of Change

The recent Plastics Webinar covered the change in legislation from 1<sup>st</sup> October and this is still available to view. We are looking at getting Menus of Change accredited with People and Planet. Staff members are currently working with local suppliers.

## 7. TUCO Chefs' Forum

The first meeting took place face-to-face at the St Andrews Conference. It is planned to have regional representation and we are hoping to create a training system.

## 8. Member Updates

### *Newcastle*

Darren explained that the retail side had struggled over the past couple of years but things are returning to normal after COVID, particularly with coffee sales. They currently have 11 outlets open as opposed to 22 before COVID. Some have been closed completely but some will re-open.

### *Leeds*

They have had a new Waste contract in place since July and are doing some audits around the bins in Catering. Joanne is looking to tender for marquees through the Temporary Structures DPS. They will also be looking at the Coffee Tender.

## *Hull*

Students are back on campus so retail outlets are busy again. Mark is working on a new EPOS tender. They are also looking into TUCO Online e-Procurement system. Their biggest challenge is the international food offers for authentic catering for their international students. Sarah commented that Huddersfield have done a lot of work on catering for international students. Carl added that Newcastle are currently looking at local shops to source authentic ingredients. He also looks after event catering which has bounced back to pre-COVID levels.

## **9. Presentation by Bushra from Vegetarian Express**

Mark asked about feeding their international students, particularly as they had large numbers of Nigerian students on campus.

## **10. Any Other Business**

Mark M commented that the attendance for the meeting was low. He wondered if we could do more to encourage participation across the region. He suggested that, as it had been a long time since a face to face meeting had been held, perhaps the next meeting could be face to face. Action KA to raise with Regional Chair.

## **11. Dates and Venues for Future Meetings**

Thursday 28<sup>th</sup> February 2024 which it is hoped to hold in person at University of Sheffield.

## About TUCO's framework agreements

### We currently use 3 types of procedure under Public Contracts Regulations 2015

---

- Restricted** The 2 stage, restricted procedure permits TUCO to "pre-qualify" suppliers based on their financial standing and technical or professional capability so as to narrow the number permitted to submit bids at the ITT stage (i.e. stage 2).
- Open** In an open procedure, anyone may submit a full tender as there is no "pre-qualification" of bidders.
- DPS** There are two stages to this procedure; similar to the more commonly used restricted procedure, stage one is the pre-qualification stage and stage two is the award stage. **TUCO have already carried out stage one in order to create a pre-qualified list of suppliers however approved users (i.e. Buyers / TUCO Members) MUST complete Stage 2.** Approved users (buyers, TUCO members) award individual local contracts through the DPS. The buyer (TUCO member) invites all potential suppliers on the DPS (authorised supplier list) or within a particular lot to participate in a further competition bid for a specific contract. Suppliers must have a minimum of 10 days to submit their tender. Suppliers are not obliged to bid. All stage 2 document templates have already been created and are available for members to download and tailor to their individual requirements before issuing to the DPS suppliers. A contract award notice must be placed within 30 days of award by the TUCO member.

### TUCO's Further Competition Service

---

We recognise that some of our members do not have the resources or product knowledge to maximise the benefits of our agreements or to constantly benchmark pricing and service. That's where the TUCO FCS service can help.

---

<b>TUCO run FCS across the TUCO agreements</b>	Offered for free for members, analysing your procurement methods remotely and helping you get the best deal using the TUCO frameworks. Think of it like an audit of your procurement.
<b>Offering more value for members</b>	After speaking to some of our members about their buying practices, we know that we can provide one-on-one support to really drive down prices further.
<b>The benefits</b>	The contracting team will help you to drive greater efficiencies and savings that are specific to your institution. The day to day procurement will remain with you but TUCO will offer the added value part: we'll carry out a review of their procurement, your buying habits, and with the permission of that member we will conduct a further competition across our agreements and refine the terms and conditions under which they're buying. Single-source or dual-source products and really leverage your position and maximise. A benefit of this is the consolidation of products into the core list so that you are benefitting fully from TUCO's net prices, which are proven to be industry leading.
